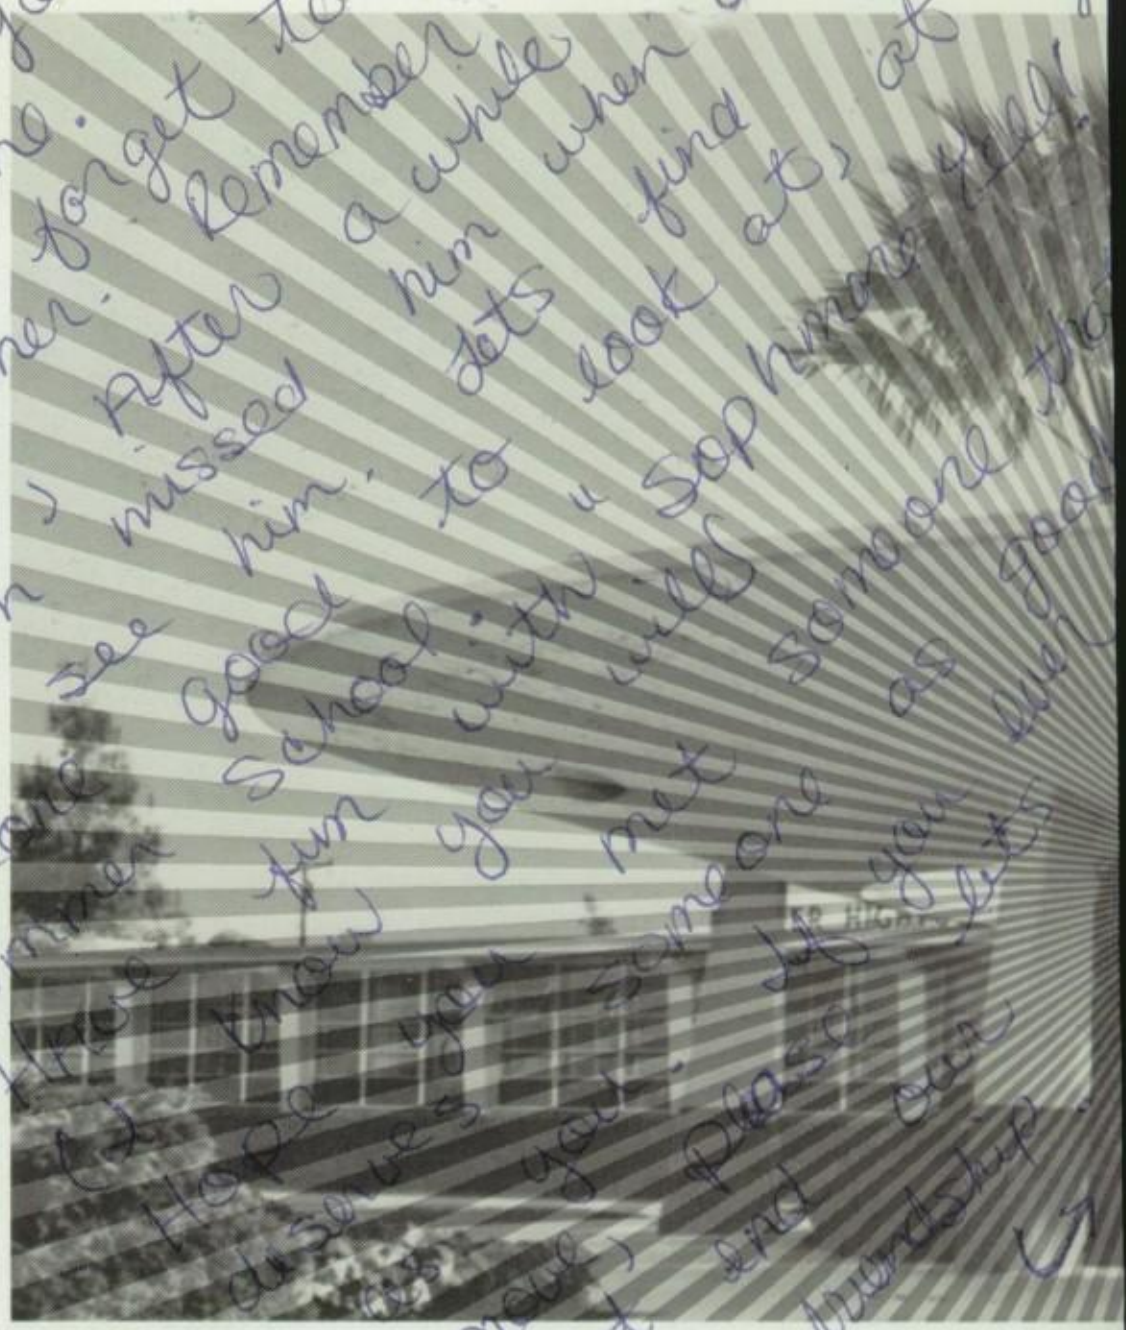
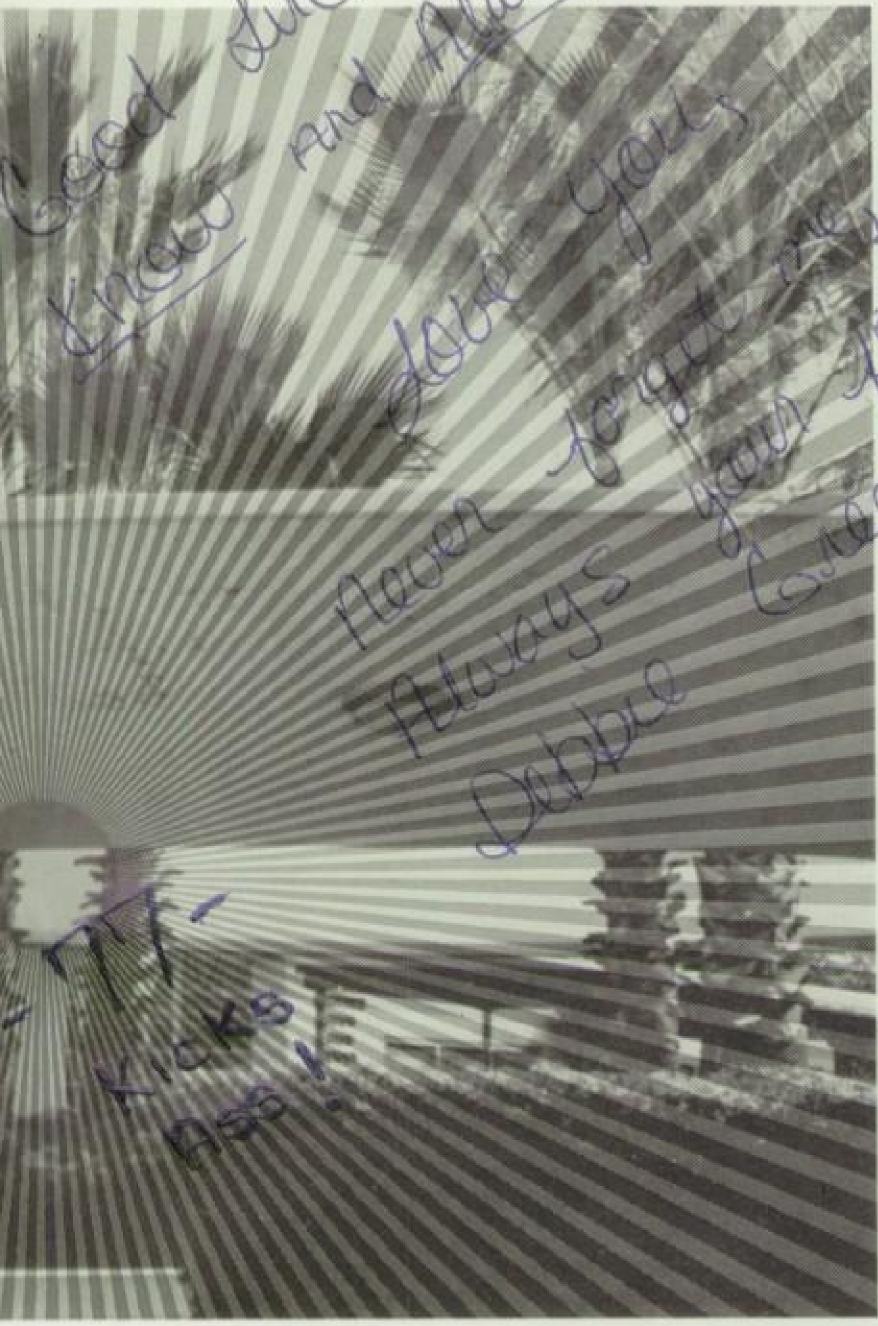
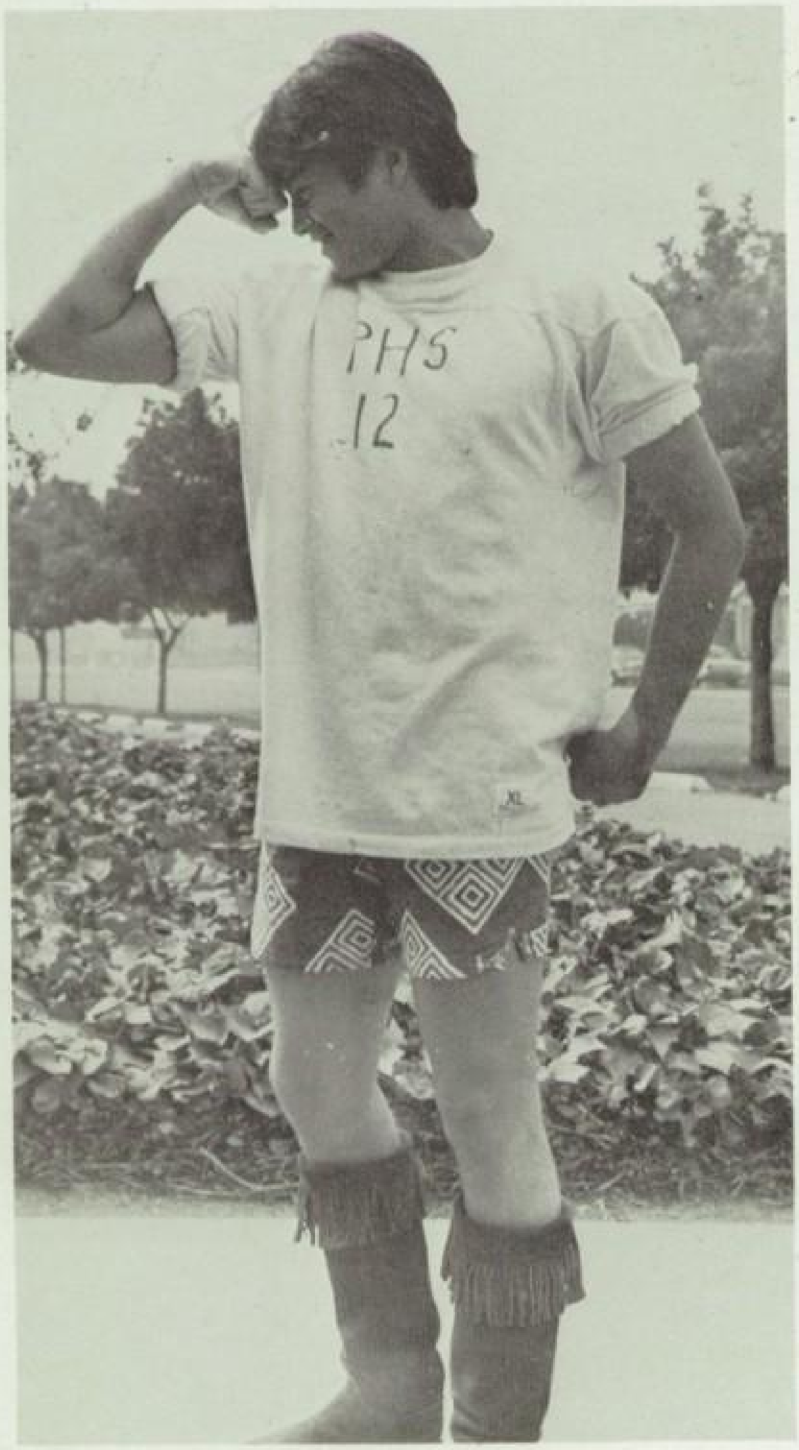
Friendship, what a beautiful word! Not for its size, spelling, or even pronunciation. A friend is a rare book, of which but one copy is made.





LIFE SAVERS



Friendship is color blind. It sees no differences, except those that are within. We are but people, all who have hearts and souls.

To Donna,
I've known you for only a short time, but I've gotten to know you pretty good. It's been fun having you in class, I hope you're in one of my classes next year.

A Dedication To Our Best Friend

With great admiration, the yearbook staff would like to dedicate the 1974 TORCH to a man who has been more than a mere instructor to his pupils.

A friendship lasting through the years is quite rare, but long after graduation HIS students have come back to see him again and again.

Originally from Pittsburg, Pennsylvania, he came to California where he completed his education. He earned his Bachelor of Arts at Cal State, Long Beach, where later he also earned his Masters.

In 1960 he came to teach at Pioneer. A valuable asset to the Industrial Arts staff, he immediately began his career as "father" to his many students.

His dedication to his work has won various awards for him. Perhaps the most coveted, however, was the 1971-72 Los Angeles County Industrial Educator of the Year Award.

His hobbies are all of an outdoor nature. Fishing, camping, and hunting are just a few of the many hobbies he enjoys.

With heart-felt thanks for his concern and friendship, we respectfully dedicate the 1974 TORCH to

Senior Class - Rags to Riches

The Senior Council worked hard this year, putting their own touch on traditional Senior activities.

In order to have a sufficient amount of money, the first semester was devoted to one main activity; a candy sale. This candy sale was the largest in Pioneer's history, with $1700 profit.

One method used to promote sale was competition between Government classes. The winning class received a field trip to Irvine Park.

The Senior Council also planned the first Senior Week at Pioneer. During the last week and a half of the second semester, a number of activities for seniors only were held. The Senior breakfast, picnic, and a special seniors-only dance were held to bring the class of '74 together for the last time in their high school career.

With the help of advisor John Letcher, the council worked to make their final contribution to Pioneer, the Senior Gift, a meaningful one. This year it was decided that a new marquee would be given to Pioneer, and with it, a fond farewell.

Select Few Attain CSF Honor

CSF Life Membership is not an easy honor to attain. Years of hard work alone make it possible. Through high scholastic achievement, a student must be a member of CSF four out of the last six semesters; one of which must be in the senior year. Life Members receive a CSF Life Membership Gold Seal on their diplomas, are recognized at graduation, and the annual Award Dessert.

Outstanding People Receive Recognition

This years State Representatives are Nancy Rorabaugh and Tom Toland. Late in June they travelled to Sacramento and through the use of mock cities and counties, the students received a greater understanding of the procedures used in the California Legislature.

Sandy Svensson was this years DAR winner. The DAR Citizenship Award, sponsored by the Daughters of the American Revolution, is given to a senior girl in recognition of her excellent citizenship.

Stephanie Warrick was Pioneer's winner of the Betty Crocker Family Leader of Tomorrow award. This was determined by a written test given to seniors on Dec. 5th.

A Busy Year Was Planned by Cabinet

The spirited ASB Cabinet, led by Lawrence Jordan, planned a very busy year for the student body. They met daily to discuss the many events which they sponsored. Homecoming and the Donkey Basketball Game are but a small example of the many, well-organized activities they planned.

Cabinet is a vital link between administration and the student body; their numerous fund-raising projects enabled them to gather a sufficient amount of money, which was used to cover the financial needs of the year.

Girls' and Boys' League Cabinet Sponsors New Activities

Boys' and Girls' League Cabinets were kept busy this past year, planning each activity which they sponsored.

Girls' League sponsored the annual Girls' League Dance and Titanette Review. In addition, they sponsored a fashion show, showing the girls the latest in formal wearing apparel.

Boys' League Cabinet sponsored the first Christmas Dance. They also sponsored a Karate assembly.

For the first time in Pioneers history, both Cabinets sponsored the Sadie Hawkins Dance. A joint effort, each put forth a great amount of time to make their first "barn dance" a success.

Students See Results Through Congress

Congress, the link between students and administration, was kept very busy this year, constantly working to fulfill the many demands which were made on them.

As was the policy in previous years, Congress was divided into two sections: Upper House and Lower House. The Upper House was chaired by Jim Wagner with David Roman as Vice-Chairman. Compiled of 11th and 12th grade students, they met to discuss the various topics of concern on campus.

Lower house was chaired by Tony Primrose; Gustavo Acosta acted as Vice-Chairman. 9th and 10th grade members met in this section of Congress, keeping informed on the current opinions of the students.

Under the leadership of Mike Cardoza, Speaker of the House, Congress met the first two Wednesdays of each month. Jointly, they informed the administration of the current requests and discussed the issues which demanded a great deal of interest.

The reinstatement of the Senior section, lunch-time music on a permanent basis, and enlisting more student involvement in the convention were just a few of the many concerns which were brought up at this year's general meetings.

Flagsters Fling Their Flags

The 1973-74 Flagsters, with no veteran to help them along, performed their varied and difficult routines before the student body and the public at places like the Ram's Game, the Pomona Fair, and Disneyland, just to name a few.

They were headed by Norma Yokota, and for the first time used double flags which added new dimensions to their routines.

The group had lots of spirit and enthusiasm and was an active part of the pep squad.

Titans Entertained by Vocal Music Program

The vocal music program at Pioneer is comprised of the Titan Tones, Choir, and Mixed Chorus.

The Titan Tones, who are also members of the choir, are perhaps the most talented singers at Pioneer. The group not only performs at assemblies and PTA meetings, but also for various community groups, such as the West Whittier Lions Club. They also performed at the Mother-Daughter Dessert.

The Choir, also selected through auditions, performed at the Christmas assembly, the Pioneer Invitational Festival, and a Spring Concert.

The Choral Director for all three groups was Ken Orr; their accompanist was Ken Hardin.

Concert Band Entertains Community

The Concert and Stage Bands, under the direction of Jim Quiroz for the third year, performed at several concerts for the community's pleasure as well as ours here at Pioneer.

The Concert Band performed at the Music Festival at Rio Hondo and the Stage Band performed at the Stage Band Festival at Neff High School. Both bands also performed at the Christmas assembly and the Fine Arts Festival.

Selected members from the Concert Band were chosen to participate in the Whittier Union High School District Honor band.

Titans Tour Europe

The Titan Marching Band, after returning from a three-week tour of Europe which was highlighted by their performance at the Geneva Musicale, attended many parades and performed in several half-time shows and assemblies.

This year's Drum Major was Ron Burrows. Together with director Jim Quiroz, he led the band to win first at the Colton Band Review and third at the Glendale Parade. They also placed first at the Friendly El Monte Parade.

Because of their known skill, they were invited to perform at the opening ceremonies of the Ontario 500, and Disneyland's Fantasy on Parade.

The 1973-74 Drill Team, under the supervision of Marilyn Littlefield, had another successful year. After returning from a three-week tour of Europe, they performed in various assemblies and parades.

Led by Nancy Rorabaugh, Sandy Svensson, and Lisa Ramirez, they took first place at Colton, Hawthorn, and El Monte Parades. They also won the first place trophy at the Whittier College Homecoming Parade.

Their reputation for skill and spirit led them to be invited to the opening ceremonies at the Ontario 500, the Rams pre-game show, and Disneyland's Fantasy on Parade.

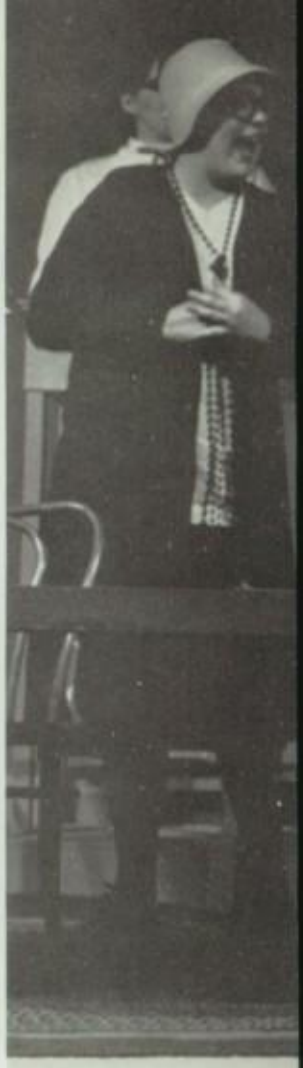
1973 Homecoming - A Time for Reminiscence

On October 19, Pioneer held its fourteenth annual Homecoming. Through careful planning, all went smoothly. The princesses were picked, and "Memory Hall" was set up, bringing back pleasant reflections for the alumni.

At half-time, Queen Elaine Rivera was crowned. Together with the victorious football game against Whittier, the evening proved to be an enjoyable one for all.



Drama has Active Year

On October 11, the Drama Club presented "You're A Good Man Charlie Brown." The play, a musical production, was based on the comic strip "Peanuts." A series of skits follow Charlie Brown and friends through an average day.

The cast was most talented, giving a tremendously funny performance. Mike Apodaca played Charlie Brown, Marie Mastrangelo as Lucy, and Tom Chevere as Snoopy. Also giving fine performances were Sam Gennawey, Patti Young, and Sam Bain.

With the help of advisors Ken Orr and Carolyn Gilweit, the play ranked with the best produced at Pioneer.

Pioneer Drama Presents "Celebration"

The musical production "Celebration" was presented February 1 and 2, in the Rio Hondo Little Theater.

The cast was superb. Through their fine talents, the basic conflicts of good and evil sprang magically to life. Starring in the production were Albert Gonzales as Orphan, Mike Apodaca playing Polempkin, Marie Mastranglo as Angel, and Tom Chereve who portrayed Mr. Rich.

The play was directed by Carolyn Gilweit. Musical numbers were directed by Ken Orr. Choreography was done by Jackie Crilly. Band was directed by Jim Quiroz.

"Dreams Come True" Girls' League Dance Theme

On January 26, the annual Girls' League Dance was held. The dance took place in the Monte Carlo room at the Newporter Inn. It was something special for the girls and the boys. Tradition is girl ask guy; she pays for the tickets and dinner, he pays for the pictures and anything after 12 midnight.

The theme was "Dreams Come True", and many did for the couples that attended. Musical entertainment was highlighted by "Grease". Punch was served to help tide the couples over until their after dinner snack. The night was something to always be remembered.

It's Magic . . . Titanette Review

This year's theme for Titanette Review was "It's Magic" and for the first time there were three performances, March 14, 15, and 16. Over two hundred girls worked hard to perfect their dances, make costumes and design sets. Marilyn Littlefield and student director Joann Hay produced a very successful show. On Saturday night the awards were given out. The Mystical Magical Magicians won first, the Knights of Not-So-Sure-Wood-Forest won second, and Wooden-Shoe Like to Dance won third.

Donkeys Come to Pioneer and Faculty Takes a Tumble

The Seniors edged the Faculty 24-22 in the fourth annual Donkey Basketball game held on January 22. The win marked the 3rd victory out of 4 games for the Seniors and their second in a row.

The game was deadlocked 22-22 when regulation time ran out, forcing the game into sudden-death overtime. Mike Garcia tossed in the winning basket to give the Seniors the victory.

The roster for the victorious Seniors was: Dave Penilla, Robert Glorae, Fred Vartanian, Mike Garcia, Andy Nunez, Cathy McLean, Sylvia Elizalde, Elaine Marquez, Becky Bogenshutz and Elsa Martinez. For the Faculty were Dave Brown, Steve Powell, Dave Van Pelt, Barry Blade, Ed Cooper, Susie Jackson, Sue Hardy, Teri Dunham and Norma Hinds and Bonnie Jo Benton.

Christmas Dance - A New PiHi Event

On December 18, Pioneer held its First Annual Christmas Dance.

Sponsored by Boys' League, the dance was a huge success. Many couples came to enjoy the musical entertainment provided by HOT AND NASTY, and to participate in the dance contest.

The highlight of the evening, however, was the crowning of Miss Christmas. The candidates were Judy Eaton, Lorraine Garcia, Chris Hartel, Terry Lara, Mary Puga, and Mona Rivera. Escorting the girls were John Apodaca, Tony Primrose, Robert Reyes, Robert Rodriguez, Chris Terrazas, and Robert Wilkinson.

The evening proved to be the most exciting for Mary Puga, who left the dance holding the title of Pioneers' first Miss Christmas.

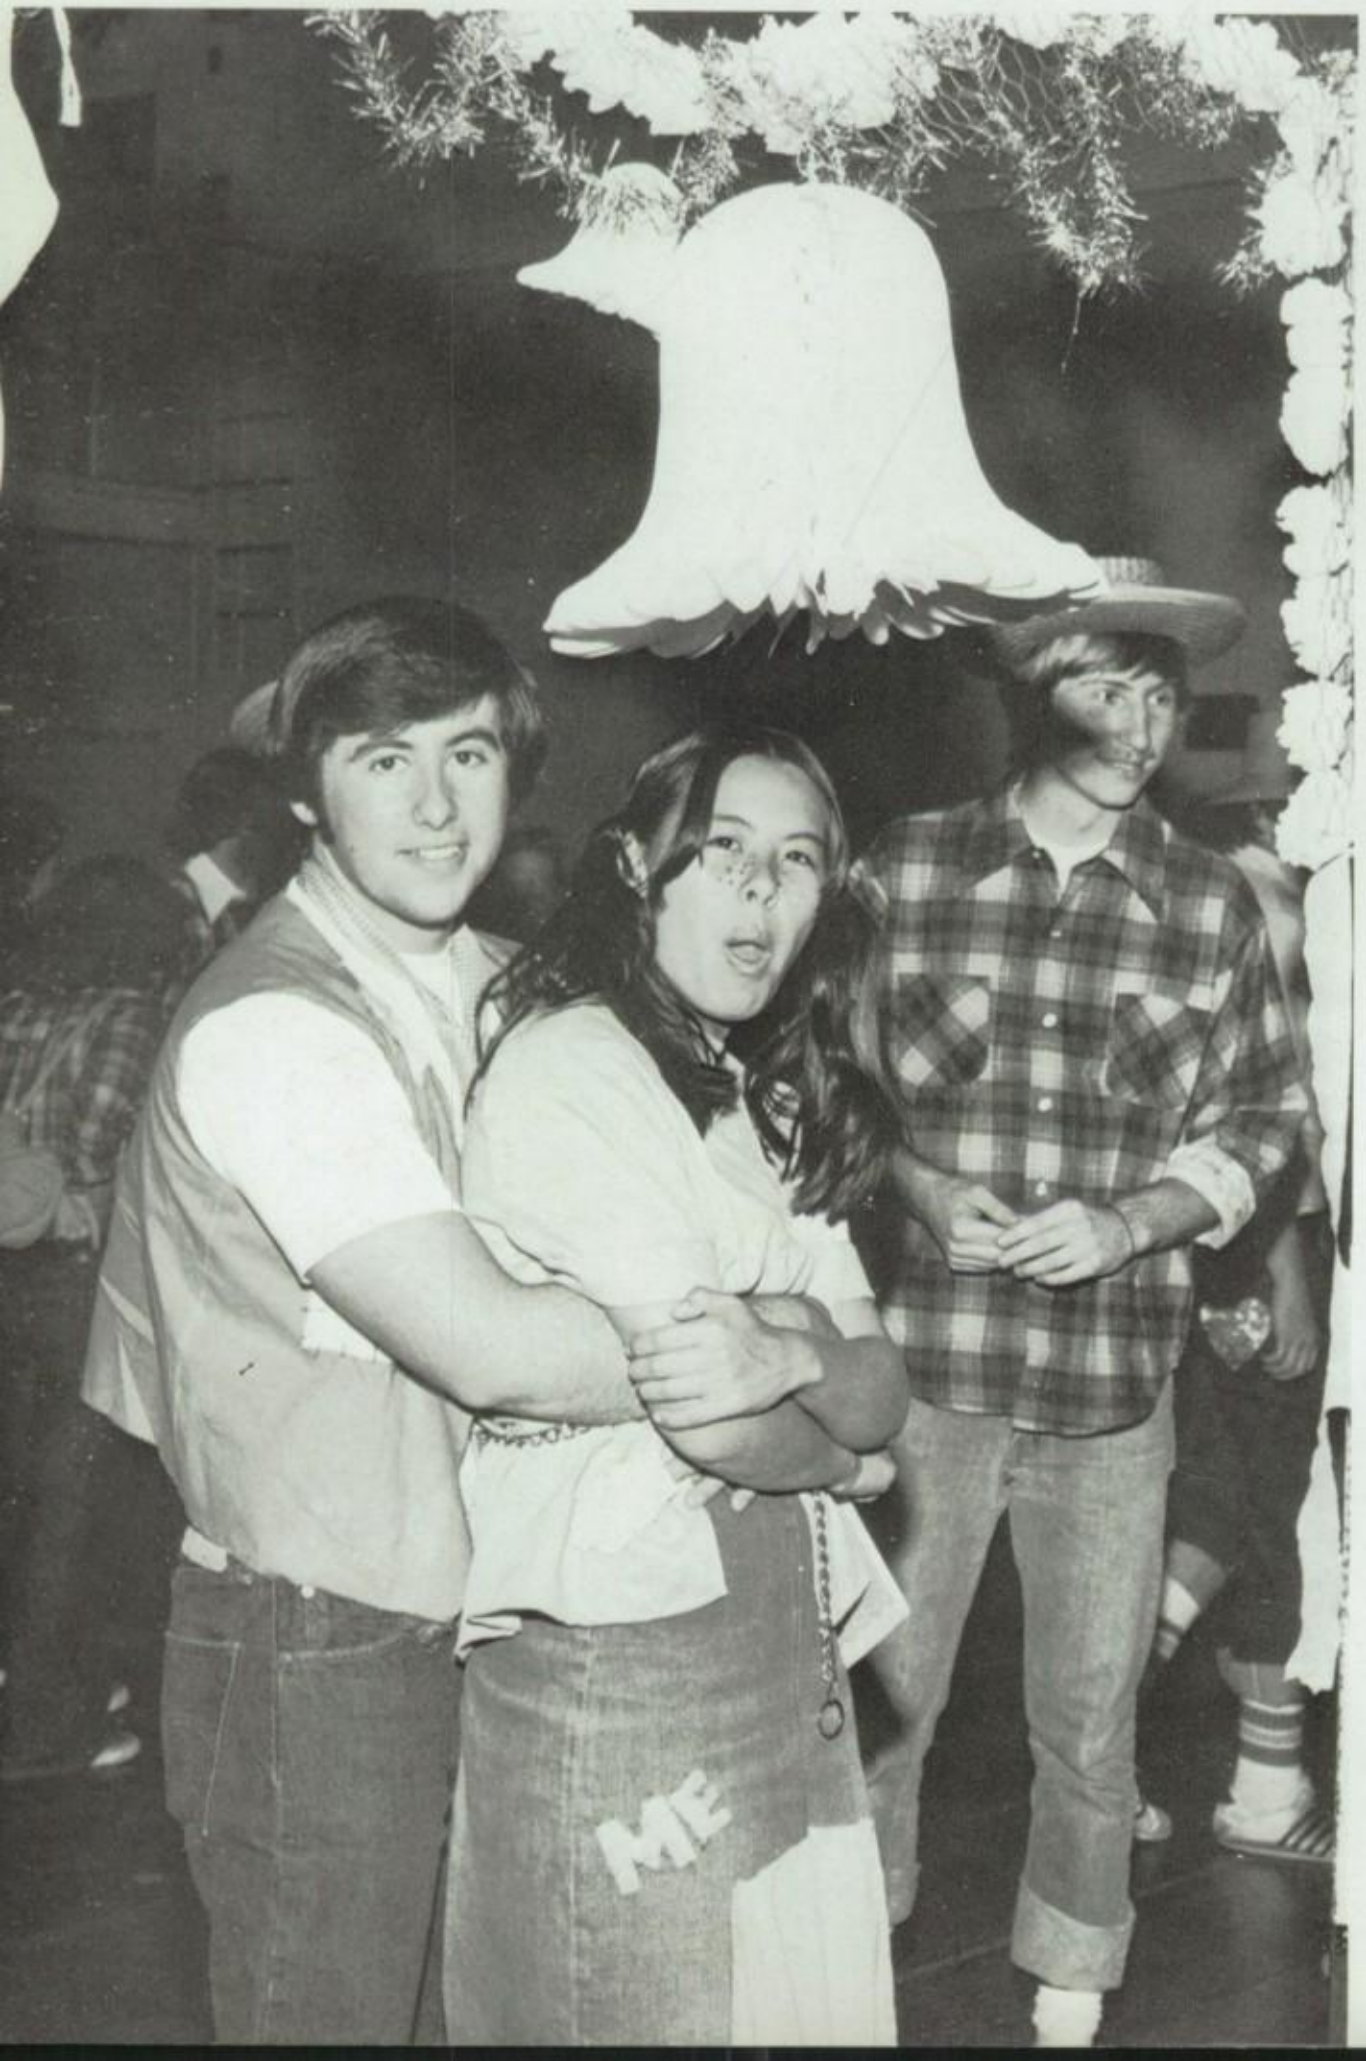
Sadie Hawkins Dance
Another First for Pioneer

On February 23, the first Sadie Hawkins Dance was held on Pioneer's campus.

Booths were set up by various clubs for the couples enjoyment. Musical etertainment was provided by Charity.

Sponsored by both Girls' and Boys' league Cabinets, the dance was a pleasing change of pace for all who attended.



Career Guidance Center Serves Pioneer Students

Perhaps the least known service on Pioneer's campus is that provided by the Career Guidance Center.

With the assistance of Mrs. Darlene Staib and Mrs. Barbara Waite, various vocational tests, college entrance forms, and work permits are made available to students.

In addition, guest speakers and films are presented at the Center. Through these aids, it is hoped that students will receive a greater understanding of what to expect in the future.

A major asset in the educating of Pioneer's students, the Career Guidance Center is of vital importance to the college or work bound student.

EWEE

One of the most valuable experiences for any student is that of an EWEE station.

Aimed toward the "exploring" or unsure student, EWEE also plays an important role for those who have already chosen their future profession.

A greater insight is attained as to the true nature of each job. Through conversation with co-workers and actual work experiences, a student can be fairly sure whether any given position is suited for them.

Clubs and Activities Provide Extra Curricular Outlets

Expanded Horizons is by far one of the largest and most active organizations on campus. Working to enhance student achievement, various programs have been designed with the express purpose of diverting potential academic problems.

Original and review credit classes are one such program offered this summer. Life Science, Introduction to Algebra, and various enrichment classes are offered. Mainly, these classes give students another chance to pass or improve grades received during the school year. This helps students meet graduation requirements, as well as improving transcripts for college entrance.

Through their concern for the welfare of students, the Expanded Horizons program directors have helped numerous people, many times to change their entire future.

Titans Take Second

The Titan Varsity, under the leadership of Coach Bob Spindola, overcame an early season drought to finish with a 5 game unbeaten streak while capturing second place in the Whitmont League, one game behind unbeaten Santa Fe.

The Titans started off slowly as they lost both of their pre-season games to Pius X and Bishop Amat. After defeating La Serna in the league opener, the Titans lost again, this time to Calhi, in a 30-20 heartbreaker. The Titans won their next three games over Whittier, Monte Vista and Dominguez, thus setting the stage for the league deciding game against Santa Fe in the next to last game of the season.

The Chiefs, leading the Titans by one game in the race for first, needed a victory to clinch the title, and a tie to clinch at least a share of it. They got the tie. The Titans and the Chiefs put on a spectacular defensive show as they battled to a scoreless stalemate. The following week, the Chiefs beat Calhi to grasp the title undisputedly, while the Titans knocked off Sierra in the season finale.

The Titans placed 8 players on the All-league squads with Lawrence Jordan being named twice. Jordan was named to both first team offense and first team defense. Robert Reyes was named to 1st team defense as was Peter Popoff and Bill Arce. Mike Garcia accompanied Jordan on 1st team offense. John Primrose, Felipe Galindo and Tony Primrose were named to 2nd team All-League.

Frosh and Soph Take Third

Both the Titan Soph and Frosh football teams captured third place in Whitmont League competition, with the Sophs finishing behind Lu Serna and Santa Fe, and the Frosh behind Sierra and Monte Vista.

Coach Howard Pollock of the Soph team cited quarterback Jerry Jacobo for his work in guiding the Titan offense throughout the season. Pollock also gave credit to Carlos Molina for his contribution to the offensive machine as well as Phil Lozano, Manuel Quijada and Jimmy Carillo for their work on defense.

On the Frosh front, Coach Maury Cauchon cited quarterback Ron White as well as John Apodoca, Rich Nila and Chris Kitahara for their aid on the Frosh team's success.

Both coaches were very pleased with this season's success, and looking forward to continued success next year.

14	Sierra	11

The Titan Water Polo team again suffered a bad season in the standings, but all was not bad for Coach Ed Cooper and his assistant Ken Montgomery. Pioneer placed three men in league honors, with Ed Aikey being elected to the 1st team All-league, and Dave Larmore and Randy Guiboa receiving honorable mentions.

Although the Titans came up with only 2 wins as opposed to 8 losses, both of their wins came against teams who have proven to be serious opponents in the past. Their 7-6 victory over Calhi, was the first Water Polo win off the Condors in Pioneer history. The Titans also defeated Sierra 14-11 in the final game of the season. That victory was the first over Sierra in Coach Cooper's term as Water Polo coach.

X-Country Breaks in New Coach

The Titan Cross Country Team broke in another coach this year, as Roy Nielson became the seventh cross country coach in 10 years. Under Nielson's leadership, the Titan Harriers scored three victories in season competition this year, with two of the wins coming over Whitmont League opponents.

Nielson's varsity squad consisted of Fred Vartanian, Ruben Perez, Rene Tresi, Sergio Morales, Phil Luciano, Ron McGinnis and Jorge Benevidas. On the Frosh-Soph team were Albert Gallegos, Albert Gonzalez, Peter Gutierrez, Tim Walker, Francisco Gomez, and Robert Villaneda. The Harriers fared well in the Rio Hondo Invitational Meet, as Fred Vartanian was a medalist in the Senior race, as was Sergio Morales in the Junior race, and Ruben Perez in the Sophomore. Also, Ron McGinnis and Jorge Benevidas placed in the novice category.

Cagers Hit CIF

For the fifth time in the last six years, and the seventh time in the school's history, the Titan Cagers sailed into CIF playoffs.

The Titans experienced a favorable pre-season, ending with a 7-5 record as well as runner up honors at the Temple City Tournament, and the consolation championship in their own Pioneer Tourney.

The Titans opened up the league schedule with a 77-75 upset victory over Dominguez in overtime, but followed it up with a 68-66 heartbreak loss to La Serna. The Titans bounced back with victories over Monte Vista, Sierra, Santa Fe, Calhi and Whittier, and closed out the first round of play in first place.

But the Titans got whipped by vengence seeking Dominguez 69-47 and edged again by upset minded La Serna, 64-62, and Pioneer staggered to second place. The Titans finished the regular season with wins over Monte Vista, Sierra, Whittier, Santa Fe and Calhi, finishing league with a second place 11-3 record, and an 18-8 over-all season mark, as well as a playoff berth. The Titans met the Compton Tarbabes in the opening round at Compton, and got routed 78-50.

The Titans, who placed 4 players on All League honors (Greg Herron and Jim McCraw 1st team and Jeff Tuckness and Jerry Starcer Honorable Mention), eclipsed two long-standing school records: The assist mark (31 against Duarte in the TC Tourney, to break old record of 23) and season free throw percentage (the Titans shot 65.7% on the year, to break old mark of 64.5%). The Titans also finished with an 18-9 over-all record, third best in the school's history.

Titan Varsity: Greg Herron, Danny Adkins, Jim McCraw, Ernie Contreras, Bobby Torres, Tom Toland, Randy Stover, Jeff Tuckness, Jerry Starcer, Bill Becktel, Chris Terrazas and Coach Ed Moriarty.

JV's Take 3rd

The Titan Junior Varsity Cagers, although sporting a fine 8-6 league record, finished in third place, 6 games behind undefeated Dominguez and lone game behind Whittier for a third place finish.

The Titans, with rebounding strength in Rudy Constancio and Roy Tinkler and scoring from Alex Parra, Mike Branham, Dave Roman and Jeff Giovinetti, remained in a tight battle with Whittier for runner-up honors in the Whitmont League, but faded in the stretch and wound up in third.

The Titans got fine bench strength from Manuel Marquez, Kevin Johnson and Mark Miller.

Sophs Take League

The Titan Sophomore Basketball team experienced a fine, dominating season as they finished their league schedule with a fine 13-1 record, to take first place in the Whitmont League.

The Titans dominated the first round of league action as they won all their games, and held a 7-0 mark. The Titans held a 10-0 record before finally being beaten by the Sierra Spartans 57-55. The Titans main asset was their composure and come-from-behind clutch performances, as Pioneer scored 6 victories after trailing at the half, five of which they also trailed at the close of the third quarter. The Titans scored comeback victories over Dominguez twice, after being down by 5 at the end of the 3rd in the first game and down by one at half in the rematch; Whittier twice, down by 3 at third quarter of game one and 4 at the same time in game two; Santa Fe, down by 5 in the third; and Sierra, down by 5 at the half and even in the third. In the rematch with Sierra, the Titans trailed them by 6 in the third quarter, tied them at the end of regulation time, sent it into overtime, but the Spartans won the thriller, giving the Titans their only loss of the season.

Coach Diaz cited Kirk Childress, Sam Benavides (32 pts. Whittier) and Bruce Tolliver for their play during the season, and commended the never-say-die spirit of the entire team.

On the Frosh level, however, the Titans didn't fare as well, as they finished in seventh place with a 3-11 record. Coach Richard Berganthal commended Jeff Larmore and Ron White for their efforts during the season.

Kickers Gain CIF Berth

The Titan Soccer team breezed through a 12 game Surburban League schedule and reached the quarter finals of CIF play-offs before losing 3-0 to Claremont, who went into and lost the finals to West Torrance.

Hector Mercado, All League Goalie who was also nominated for CIF honors, rang up an impressive season mark of 9 shutouts in the 12 games in which the Titans went undefeated with a 10-0-2 record by stringing together 6 consecutive shutouts. Mercado turned away Glenn, Valley Christian, Paramount, Saddleback, Gahr, and Artesia before the Titans got tied by Glenn in the season finale. Only 3 goals were scored off Mercado in league competition as only Saddleback and Artesia could manage goals in the first round of play, as did Glenn in the finale.

Mercado, who was joined on the all league nominations by Jeff Wineinger, George Cuevas, Mike Soltero, Oscar Escobedo and Sergio Morales, shut out Nogales in the play-off opener while Escobedo scored the winning goal in the 1-0 win, but in the next round, the Titans were felled by a powerful Claremont team.

The Titans, in only their third year on the soccer circuit and under the leadership of their new coach Maury Cauchon, racked up a phenomenal 11-1-2 season record.

Grapplers Send Five to CIF Pre-lims

The Titan Wrestling Team broke in a new coach this year on both the Varsity and JV levels. Dave Brown took over chores as the Varsity coach, and Kevin Kennedy headed the JV.

The Grapplers experienced a fine season, as the Varsity finished with a 4-8 season record, with one of the victories coming over a Whitmont League opponent. The Titans also sent five wrestlers to the CIF prelims this year: Pierre Arsenault, Jack Viramontes, Tony Primrose, John Primrose and George Kirylo. The JV's finished the season with a 5-2 record.

Glovers Start Right

The Titan Varsity Baseballers, experienced a fine pre-season, and started off their league competition on a winning note. The Titans went 5-3 in pre-season action, and won their first three league games.

The Titans boast a balanced offense along with a stable defense. Offensive power is contributed by Jerry Starcer, Peter Popoff, Robert Reyes, Richie Garcia and Lawrence Jordan, who have been some of the main run-producers of the young season.

The Titans also display a fine pitching staff in their two ace starters Mike Garcia and Jimmy Carrillo. Garcia early in the season ran up a total of 28 and one third consecutive innings without allowing an earned run, as well as tossing back-to-back shutouts against La Serna and Whittier to afford the Titans with two league victories. Sophomore Jimmy Carrillo has also been a dominating figure on the mound. Carrillo got the other Titan win in the early league games as well as other victories in pre-season.

Coach Howard Pollock and his assistant Bobby Galindo felt optimistic that the Titans' early season victories would boost the team on through the final pennant drive.

JV's Start Slow

The Titan JV Baseball team staggered through their pre-season schedule with an 0-7-1 record, and opened league play with an 0-1-2 record.

Despite the lack of digits in the win column, Coach Vince Diaz expressed optimism toward success in the rest of the league schedule. The Titans, despite defensive mistakes, have had some outstanding pitching performances turned in by Jerry Jacobo, Bill Arce and Roy Tinkler, as well as hitting strength from Bruce Tolliver, Fred Pena, Joe Ramos and Mike Soltero.

The Titan Frosh has fared well, thanks to fine pitching by Mark Toland, Fred Griego and Ron White. Coach Jim Rafferty commended Jeff Larmore, Rick Nila and John Apodaca for their offensive contributions.

Golfers Start Slowly

The Titan Golf team, although starting off the season slowly has had a very enjoyable season. Les Hufford, who was assistant coach last year, has taken over the head coaching chores for the Golfers.

Coach Hufford expressed satisfaction with his golfers' performance thus far in the season, despite the fact that most of the team is made up of beginners. Brad Garbutt and Jim Melendez led the team, along with fine support from Tony Andrade, Al Razo and Mike McLean.

Gymnasts Build

The Titan Gymnasts, although winless in their first four meets of the season, have still improved greatly from last year. Coach Gene Fradella was pleased with the good turn out for all levels.

Coach Fradella commended Ralph Dickinson and Victor Jiminez for their fine performances. The team, which sported one girl last year, now has three girls on the team.

The team has improved immensely, and Coach Fradella locked forward to a fine season.

Netters Win First Nine

The Titan Tennis team devoured their pre-season opposition and first two league opponents, as they won their first nine matches of the season before being defeated by a powerful Whittier team.

Coach Stu Kauffman was impressed with his team's performance. The Titans, consisting of Lars Moller, Carol Bigham, Steve Usselman, Luis Madeza, Tim Reyes, Dan Adkins and Larry McMillan, breezed through their pre-season schedule, a fact which Coach Kauffman attributes to their dedication and hard work.

Track Team Builds

The Titan Track team, although still winless in competition thus far in the season, has greatly improved and is building every day.

Coach Tom Castro commented that more people were coming out for track, but still not enough to make a well-balanced team. The Titans have received excellent scores by Robbie Velez, Hector Mercado, Daniel Vanta and Art Chico during their meets this year.

The Titan Frosh-Soph team has improved immensely since last year, as the Titans have won four of five meets in early season competition. In the next year or so, Coach Castro is looking forward to having a good, strong Varsity team from this Frosh-Soph team.

GAA Works Together to Promote Sportsmanship

The Girls' Athletic Association, with Sylvia Elizalde as president, sponsored many activities this year.

Each sport had a good turn out, where the girls learned the basics of their sport. Team work and good sportsmanship were stressed.

The officers also planned many activities to make money to pay for umpires and equipment. Some of these activities included car washes, bake sales, and selling punch at Titanette Review.

Sophs Are Successful Fund Raisers

The Sophomore Class Officers and Council held regular meetings to make plans for money raising activities. With the help of their advisor, Carolyn Noseff, the sophomores began early in the year planning ahead for next years Junior-Senior Prom. Throughout the year they held several car washes which were quite successful. The class of 1976 sponsored other events such as Sports Night and of course, the traditional Slave Day.

Dr. Jerry Haines, Principal - Titan Friend

It is fitting that friendship be the theme of the 1974 Torch. The Pioneer campus has always had a friendly climate that has enhanced the relationships between students, and between the staff and students. Anything worthwhile like this has to be cultivated continually, however, and this year saw many activities that brought people together to develop the understanding necessary to friendship. This year also saw a movement back toward students taking the responsibility for the leadership of others, and the officers of the student government made some very important contributions to understanding and friendliness on the campus.

From the Principal's position I get the opportunity to see into all phases of the Pioneer program. I want all to know that what I see is good, and I feel that it is good mainly because of the quality of the students and staff. As I have said many times before "I am proud to be a Titan"!

Donna: Have a good summer. See you back with us next year.
B. Kirk

Bill Kirk, Assistant Principal, Guidance

Donna; Been a big help to the Freshmen Class & I am expecting great things of you in the future. It didn't use easy having a "famous sister" but I know if I can ever be of any help. Best Wishes

Administration Provides Confidence

With four years of experience as principal behind him, Gerald L. Haines, Ed. D., put forth a great deal of effort to promote harmonious relationships between administration and students. As a result, a friendlier atmosphere, one more conductive to learning, has been achieved at Pioneer.

The Administration Staff gave sustenance to this new atmosphere, always willing to give advice when needed. Bill Kirk remained Assistant Principal in Guidance, J.C. Low continued as Assistant Principal of Business and Activities and John Kimmick held the position of Assistant Principal in Curriculum.

Donna-
You're probably my favorite freshman. You are refreshingly pretty and I know you are destined for great things. Good luck in the following years and keep in touch. May God Bless you always
Love

Friendship Is Provided Through Guidance

The Guidance office welcomed a new member to the staff this year. Woodrow Odanaka accepted a new role: counselor, thus filling the vacancy created by Ron Rhodes.

Dave Van Pelt, served as Head Counselor. He was assisted by Zane Thompson, Bob Fiske, and Paul Montes. Together they bear the burdens of reprimanding or consoling troubled students. With their counselor's guidance, students find solutions to the many questions pertaining to their future and find a helping hand whenever needed.

Expand Students' Interests

The Special Services Staff again provided students with their unique assistance.

Jim Fretz, Assistant in Student Activities, worked with J. C. Low in the Business and Activities Office. Doris Dean, School Nurse, cared for the medical needs of Pioneer students, keeping track of the necessary medical forms.

Darlene Staib, E.W.E.E. Coordinator and Barbara Waite, Career Guidance Coordinator, are new additions to the staff this year, working to help students choose their future careers.

Dan Nay, Curriculum Coordinator, worked closely with the teachers. Joe Hazard attended to the library, keeping it in good order. Luis Hernandez continued to serve as full time coordinator for the Expanded Horizons Program.

Skillful Secretarial Staff

The Secretarial Staff continued their battle against the ever mounting paper work involved in the smooth running of Pioneers' numerous offices.

Constantly watching over their posts, they strove to increase the speed necessary to produce the many forms and memos.

Reigning over the Business and Activities Office was Ginny Brockway. Ruth Cole kept a sharp eye on the schools' attendance records, and Iris Overholser kept track of the various forms and funds passing through the Main Office. Beth Van Patten served as Dr. Haines right-hand woman in the Principal's office.

Cafeteria and Custodial Crews Keep Campus Going

On a high school campus, no one can deny that the academics are of vital importance. But if it were not for the Cafeteria and Custodial Crews, school would be an extremely uncomfortable place.

The Custodial Crews can always be seen at work. They constantly strive to keep the campus as clean as possible. In addition, they spend a large amount of time settingup waht is needed for various activities.

The Cafeteria Staff is always at work, making sure that hungry students have a place to find a tasty bite to eat.

The last to be mentioned have the most familiar faces. They, of course, are Willie Lopez and Elizabeth Fowler, who reign over the boys' and girls' locker room.
